

# Short-term Summer Fellowships for Teaching Neuroethics

**June 24 – 29, 2013**

Join us this summer for an intensive six-day program designed to prepare neuroscience faculty and postdoctoral scholars to teach undergraduate and graduate courses in neuroethics: the ethical, legal and social implications for neuroscience.

## Fellowship Information

The Penn Center for Neuroscience & Society will host 16 fellows intending to teach neuroethics for a combination of lectures, discussions, teaching exercises and course preparation. Office space and accommodations will be provided.

**Applications due Friday, February 15, 2013**
